### **Frequently Asked questions:**

#### **Where can I get Certified copies of the Death Certificate?**

Death Certificates are filed at the town clerk's office in the town where the death occurred. They are \$20 a copy.

#### **How can I place an obituary in the newspaper?**

You can email the newspaper of your choice, most require a Death Certificate, provide the paper with our name and phone number, Abbey Cremation 1-800-890-9000, instead of sending them a Death Certificate and we can confirm the death with them.

#### **Do you notify social security?**

We send out what is called a Statement of Death by the Funeral Director to the Social Security Administration. We do recommend you notify your local office for possible benefits.

#### **When will everything be completed?**

Once the state mandated 48 hour holding period has elapsed and the Medical Examiner issues the permit, the cremation will be scheduled. Once the cremation is complete you will receive a courtesy call from a staff member and the cremains can be retrieved from our office.

**Please Note:** We recommend waiting on scheduling services with churches or cemeteries until the courtesy call is made.
